## ENTERTAINMENT FOR THE TOBACCO FAIR IS BOOKED TODAY

Three High Class Vaudeville Acts Will Furnish Amusement During the Four Days of the Big 1920 Corn and Tobacco Fair.

Although the presidential election has, to a certain degree, detracted from the 1920 Corn and Tobacco Fair, which will be held Thanksgiving week at the Liberty Tobacco Warehouse, the various committees are working steadily on all plans and hope to have everything in readiness promptly.

Through Manager T. M. Russell, of the Washington Theater, the committee on amusements today booked their attractions for the big fair. There are three big vaudeville acts. One is a "Rube" act which always goes big at the fair. The second is a wire walker and the third is woman contortionist. These entertainers will give one performance each afternoon and two each evening on the big stage to be erected in the center of the large warehouse.

The sale of booths continues. Mr. James Riley this morning sold five booths at the Chamber of Commerce before 10 o'clock and was expecting to sell many more before the day closed. It now appears that before the middle of this week all of the sixty booths will have been sold.

All other plans for the fair are going along very satisfactorily and indications are that this fair will be the greatest success of any ever held here. The boosters will get busy immediately after the election has passed.

### QUIET HALLOWE'EN.

Everything passed off very quietly Saturday evening and while the police were vigilant throughout the night they did not have to make any arrests for disorder. The youngsters had a good time and yet no damage has been reported. Many Halloween parties were held but more are expected to-night.

### ELECTION AND TOBACCO DISCUSSED BY FARMERS.

County Court day brought quite a few farmers to Maysville today and there was much discussion on the street corners and where ever the farmers gathered. The approaching tobacco market and the election were the chief topics of discussion.

AND THEN HE FAINTED.

A Fleming county minister spoke in the interest of the Democratic party in lower Marion street this morning. He predicted Cox would carry the state of Ohio by a majority of 100,000 and then fainted. There were many in his audience who offered to bet 2 to 1 that the minister was a bum prophet but there were no takers.

## SENATOR HARDING'S LAST MESSAGE TO AMERICAN PEOPLE

Greatness of Ohio Senator Is Seen In His Last Words to the People Before Great Election.

The greatness of the Republican candidate for President can be seen in his last words, before the election, to the public. In his speech at Columbus, Ohio, Saturday evening, he said in part:

"With still greater pride and with finer for exalted office, I have made no appeal to group nor class nor section in America. I cried against class. I have proclaimed vanishing sectionalism. I have pressed common interest and mutual purpose. I have talked to groups that spoke through them to all America.

"To the foreign born I plead for the American soul. To the farmers I have spoken with the bigger thought of the American that the farmer supplies with food. To teachers I have spoken of the schooling youth of America; to industrial America I have preached the interest of the workmen, and to wage earners I have urged the necessity of a prosperous business to make a fortunate nation.

"To the railroad man I have proclaimed the transcending interests of the public in transportation, and to the interior states I have urged the necessity of transportation on the seas.

"To all I have carried the gospel of America first, and unfailingly I have told all our voters that our first problem is restoration at home, if we are to play a great nation's part in saving the world.

"And there is another report that I

The membership campaign of the local order of Eagles which has been in force for the past three weeks will come to a close this week with the initiation of the large class on Thursday evening at the Eagles' hall in Second street.

The big event of the membership drive will take place at Eagles' hall on Friday evening when the National President the National Organizer and the States Deputy will be present to make addresses. It was at first proposed to have this meeting a public affair at the Washington Theater but these plans have been changed and the meeting will be held in the Eagles' hall. Following the addresses of the prominent visitors, there will be a banquet spread by the local lodge in honor of the distinguished visitors and the newly made Eagles.

Although there have been many handicaps, chief of which has been the interest in matters political, the campaign is considered a success by the officers of the local lodge and a class of probably twenty or more will be introduced to the mystic rights of the order Thursday evening.
